

44mm SINGLE REBATE COMPOSITE DOOR

Entrance
FORTY FOUR

HALLMARK
PANELS LIMITED

SPECIFICATIONS

The skins of the 44mm door slab are manufactured from GRP (Glass Reinforced Plastic). They are compression moulded to give a high definition panel design which offers an authentic timber appearance and the thermosetting process means they are unaffected by variations in temperature.

The stiles and rails are of a water resistant composite material and are bonded to the skins.

The insulating core consists of 100% CFC-free polyurethane which provides superior thermal performance and enhances the doors soundproofing.

The finished product is a door panel which is strong, stable, durable, and is indiscernible from wood.

RIGOROUS TESTING

The Entrance 44 has been tested and achieved full accreditation for the stringent PAS 23 & PAS 24 standard. This includes a severe physical attack on the door handle and lock.

SAFE & SECURE

All doors bring a high standard of security to your home. Each Entrance 44 door is fitted with the very latest Yale multipoint locking system bringing the highest standard of security to your home.

GUARANTEE

The Entrance 44 comes with a 10 year manufacturing guarantee that the door slab will not fade, warp, twist or crack.

10 **YEAR**
GUARANTEE

ACCESSORIES

There is a comprehensive range of door furniture available in White, Black, Silver, Gold and Chrome to compliment your door. Night Latches, Safety Chains and Spy holes are also available.

THRESHOLD

COLOURS

Seven standard colours are available to choose from. In addition to these there are factory finished wood grain options.

Drip Bar available to match all door colours

SECURITY

The Entrance 44 is fitted with the Yale Asguard multipoint lock, Yale Security door handle and Yale Kite marked Euro cylinder.

For additional security there is a Hinge Bolt available as an optional extra.
